

Eyres 621-SB-PBFS - Safety/Sun Glasses - Daredevil Black Frame Polar Silver Lens

Product Description

- Frame: Sapphire Black
- Lens: Polar-X Brown Flash Silver
- Light Transmittance: 10%

Modern wrap around design of the DAREDEVIL provides clear peripheral vision for the wearer. This OHS safety eyewear was designed to satisfy the needs of men and women at work and leisure. The dimensions of the frame give protection all around the outer skin of the eye.
