

Sidchrome SCMT22413 - Combination Spanner Set 7 Piece AF Large Sizes

Product Description

Each spanner features the patented ANTISLIP™ design and TORQUEPLUS™ fastening system to make tightening a breeze and limit potential damage to fasteners. The unique, ergonomic design ensures maximum user safety and provides greater torque, durability and comfort, while reducing strain on your joints.

Features

- ANTISLIP™ fastening system: a locking groove on the open end to prevent slippage and protect your knuckles from injury
- TORQUEPLUS™ fastening system: allows greater torque and makes tightening easier, while reducing the risk of fastener rounding
- chrome vanadium construction: made from the highest quality alloys for long-term durability
- complete set with 7 sizes: the right size for any job, every time
- durable, organised wallet: to keep your spanners organised, so you can grab what you need and get back to work
