

Limit 128630100 - Mechanics Kit 9 Piece

Product Description

- 9 piece measuring set. For mechanical workshop, assembling, repair, services etc.
- A base assortment for measuring length, thickness, angles, distance, electrical circuits and temperature
- Multimeter
 - voltage: 500V
 - voltage: 500V
 - current: 2000 μ A - 10 A
 - resistance: 200 Ω -20 M Ω
 - temperature: -40 - +250
- Steel Rule: 300MM
- Digital caliper: 150MM/6"
- Micrometer: 0 - 25MM
- Precision square: 150 x 100mm
- Protractor: 80mm
- Screw Pitch Gauge M/UNF: 55 blades
- Feeler Gauge 13 blades: 0.05 - 1.00mm
- Scriber TC-tipped, length.: 150mm
