

Teng TC8140NF - Tool Kit 140 Piece Metric

Product Description

TengTools has become the first choice for many industrial users all over the world. Our unique 'Get Organised' system allows professionals to build a custom tool kit to suit their own individual needs. Professionals in many industries may require tools to be stored in EVA foam. We have an extensive range of EVA tool trays that can be used with our clever storage options to create a bespoke tool kit ready for the demands of any workshop. TengTools has been used in the toughest environments around the world and is built to last. We offer a complete solution of high quality tools at a reasonable price. Our tools are used by companies that do not compromise on quality. Our extensive range offers an opportunity for buyers to find an optimal assortment with regard to quality, range and price.
