

Teng TM079 - Service Tool Kit - 79 Piece

Product Description

TengTools has become the first choice for many industrial users all over the world. Our unique 'Get Organised' system allows professionals to build a custom tool kit to suit their own individual needs. Professionals in many industries may require tools to be stored in EVA foam. We have an extensive range of EVA tool trays that can be used with our clever storage options to create a bespoke tool kit ready for the demands of any workshop. TengTools has been used in the toughest environments around the world and is built to last. We offer a complete solution of high quality tools at a reasonable price. Our tools are used by companies that do not compromise on quality. Our extensive range offers an opportunity for buyers to find an optimal assortment with regard to quality, range and price.

Set of 79 pieces. A service kit that contains 3/8" socket tools such as fibre reinforced ratchet handle, bit socket, universal joint, adaptor drive 1/2" x 3/8". Also included are: bit screwdriver with magnet, LED torch, measuring tape, universal knife, telescopic magnetic detector, hook set for O-rings, universal pliers, carpenter's hammer with steel tube handle, six point adapter 1/4" x 1/4", 3/8" six-point sockets, combination spanners, hex key set, adjustable wrench, flat nose pliers, side cutters, combination pliers, water pump pliers, screwdrivers and 20 bits. Supplied in a red plastic case with latch lock in metal, folding handle and metal pin hinges. The underside of the case is fitted with rubber feet to prevent it from sliding.
