

Rytool RT4089 - Master Ball Joint Service Kit

Product Description

- Removes and replaces most press fit type ball joints. Can also be used for universal joints and truck brake anchor pins.
- Set contains a C-Frame press, 3 receiver tubes: 2-3/4" x 3", 2-1/4" x 2" & 1/3/4" x 2" and installation & removing adaptors.
- Same as RT4088 with the addition of 4WD drive adaptors. For servicing upper and lower ball joints found on most 4WDs and light trucks.
