

Knipex 1242195SB - Multistrip 10 Auto Insulation Stripper

Product Description

- Stripping without re-adjustment from 0.03 to 10.0 mm²
- improved knife geometry - robust and more durable
- optimised handle design with more comfort
- recessed wire cutter
- fully automatic adjustment to all single-, multi- and fine-stranded conductors with PVC insulation and a number of special insulations throughout the entire capacity range of 0.03 to 10.0 mm²
- no manual fine adjustment required, no damage to the conductors
- the clamping jaws made of steel hold the cable in a way that prevents slipping without damaging the remaining insulation
- with recessed wire cutter for Cu and Al conductors, stranded up to 10.0 mm² and single wire up to 6.0 mm²
- particularly smooth-running mechanics and very low weight
- replaceable blades block and length stop
- handle with soft-plastic zone for a steady grip
- body: plastic, fibreglass-reinforced
- blade: special tool steel, oil-hardened
- Stripping capacities: 0,03 - 10,0 mm²
- AWG: 32 - 7
- Length: 195 mm
- Net weight: 136 g
