

Kincrome K4047 - Circlip Pliers Set Heavy Duty 270mm (10.5")

Product Description

The Kincrome Heavy Duty Circlip Pliers set has an integrated ratcheting feature which keeps tension on the circlip, allowing for easy installation and removal. The pliers have both internal and external options, PVC grips, interchangeable tips in various angles and sizes, and comes packaged in a sturdy blow mould case. These pliers are ideal for industrial applications where standard circlip pliers are either too small or not strong enough for the given application.
