

## Powertech SL3975 - Light LED Flood 5X 5W IP68 12-24V Blk

### Product Description

---

Just hook it up to your 12V or 24V battery system and light up your work area, campsite, boat deck or any other outdoor area. This single row LED work light features 5x high power Epistar® 5W LEDs housed in an IP67 rated powder coated 6063 aluminium heat sink case, covered with an unbreakable Lexan® polycarbonate lens. Being LEDs, they use very little power to produce ample light, and are impervious to shock and vibrations - excellent in 4WD, marine, caravan, mining, or any other harsh environment application. Flood beam output.
