

Channellock PG-2 - Plier/Sidecutter - 8" Twin Pack 3248+3238

Product Description

Lineman's/Electrician's Pliers - 216mm (8.5") #3248

- Cross-hatch serrated jaws provide better grip on work
- Anvil and knife cutting edge is hand honed, induction hardened and tested on frayed hemp and piano wire
- Nose is long and slim for tight spots, jaw gap grips wire tightly and extends wear
- Posigrip™ safety handle
- Perfectly mated cutters are hand honed and ardened to hold their edge and cut cleanly
- Edges are lengthened for flat multi-core cables
- Hardened crimping nest can be used with non- insulated connectors
- Insulated to 1000V

Cutting Pliers - 203mm (8") #3238

- Knife and Anvil cutting edge
- Hand honed and induction hardened
- Tested cutting piano wire and hemp
- 3238 is insulated to 1000V
