

Bailey FS13538 - Aluminium Job Station 0.9m

Product Description

The Bailey P170 is the latest innovation from Australia's #1 ladder brand. More than just a platform stepladder, the P170 is a mobile job station with a massive 610mm x 460mm platform, huge 170kg load rating, carry handle and a range of features aimed at improving safety and productivity.

- Huge platform area (610 x 460mm) adds comfort and stability
- New 'trapezoidal tread design' provides an incredibly strong tread to stile joint
- Multi-function handrail with optional 'DropLok' accessories converts a handrail into a Job Station (15kg capacity)
- Fully reinforced polypropylene platform with metal inserts for maximum strength
- Diamond plate 'deck pattern' provides an anti-slip standing area
- Extra strong, heavy duty aluminium construction for superior durability
- Large anti-slip feet for maximum stability and durability
- Convenient carry handle allows for easy transport from job to job
- 360 castors for improved mobility and improved productivity
- Fully integrated bracing and castor system - industry leading design
- Made to AS/NZS1892.1-1
- Reach height: 2.87m
- Platform height: 0.9m
- Weight: 16.9kg
