

## Rugged Xtremes RX04B021BK - Bamboo Socks - Size 6-10 Black Two Pair Pack

### Product Description

---

- Size: 6-10
- Twin Pack
- Developed for Australian Mining and Industry
- Fully designed and developed in Australia.
- Sustainably grown and manufactured in China
- 92% Bamboo // 8% Elastane

### Why Bamboo?

- Highly breathable and amazingly soft feeling fabric
- Bamboo Socks tend to be more comfortable in both extreme Hot or Cold conditions due to the enhanced moisture wicking and temperature control properties
- Anti-Fungal which promotes better foot health in your workforce
- Naturally Anti-Static fibres
- Blocks up to 98% of harmful UV Rays
- Suitable for sensitive skin types and conditions
- Hard wearing Nylon fibres woven through the bamboo fabric ensures lasting performance

### Love our Planet?

- Bamboo fibre is 100% biodegradable
- Bamboo Plants thrive naturally without the use of harmful pesticides or fertilisers
- Bamboo is an incredibly renewable and fast growing plant species, which is sustainably cultivated using low impact harvesting techniques
- Bamboo farming requires minimal land footprints and irrigation systems, which can be cultivated in emerging nations, helping those less fortunate than us
