

## Dewalt DCV584L-XE - 14.4V/18V/54V 7.5L Wet Dry Vac (HEPA L Class) (Tool Only)

### Product Description

---

#### Features

- Cordless/corded XR wet and dry vacuum that can be powered by 14.4v/18v as well as 54V FlexVolt li-ion XR batteries or by 240 volt mains supply, this design makes it ideal for either onsite or workshop use
- This extremely robust and versatile machine benefits from having a highly efficient washable/replaceable HEPA filter that traps 99.97% of dust as fine as 0.3 Microns
- Its on-board hose, cord and integrated accessory storage makes the DCV584L easy to transport and convenient for storage
- Wet and dry capabilities without having to change the filter
- Very compact and easy to transport
- Also can be used as a blower
- High capacity 7.5 litre tank
- One hand switch and carry for increased versatility and ease of use
