

## Bossweld 900320 - Zirconated Tungsten Electrodes 1.6x178mm 10 Pack

### Product Description

---

- Bossweld Zirconated Tungsten x1.6mm x178mmx10
- Bossweld Zirconated Tungsten Electrodes offers great performance for AC and DC current welding of aluminium and magnesium.
- The electrode retains a balled end when welding which results in less tungsten permeation and has good corrosion resistance.
