

Kapro K31360 - Measure Mate 600mm

Product Description

The Kapro Measure Mate features a sturdy triangular profile and two easy-to-read vials. Its sliding markings makes it easy to set and transfer measurements and its sliding knife guide allows for smooth cutting.

The Kapro Measure Mate also has zero and centre point scales for increased accuracy for any project. A bonus feature of the Kapro Measure Mate is its pull-out nail gripper and drill bit diameter. Simply pull out the gripper and use its guides for safe and easy nailing.
