

Milwaukee M12-18JSSP-0 - 12V/18V Wireless Jobsite Speaker (Tool Only)

Product Description

Features

- Stream high definition music wirelessly with Bluetooth® from over 30m.
- Compatible with the M18™ and M12™ systems featuring over 100 tools, or power with AC adapter.
- 2 Passive Radiators maximizes clarity and volume of bass.
- 2 High Definition Mid-Woofers maximizes clarity at loudest volume.
- 2 High Range Tweeters drives greater range of treble.
- IP54 water and dust protected.
- Impact resistant roll cage.
- Protected 2.1A USB power outlet.
- The Milwaukee® M18™/M12™ Wireless Jobsite Speaker delivers the loudest and clearest sound on or off the jobsite.
- The premium six speaker design provides unmatched clarity of sound with booming bass, clear mids, and sharp highs.
- Paired with a 40W dual channel digital amplifier, the speaker produces big sound to fill any room or work environment.
- Nothing But Heavy Duty construction features impact resistant side caps and a reinforced honeycomb grill to withstand drops and abuse.
- The latest Bluetooth® technology ensures easy pairing with a smart phone, tablet, or other mobile device from up to 30m away.
- Compatible with all M18™ and M12™ Batteries or able to run off of AC power, the M18™/M12™ Wireless Jobsite Speaker maximizes versatility, functionality, and performance to set a new standard in high-definition jobsite sound.
