

Renegade JM300S-A - Heavy Duty Dripless Caulking

Product Description

A trade quality Caulking Gun that we believe is as good (if not better!) than many others available on the market at far higher prices. Featuring a 'dripless' trigger system ensuring almost no drips or spills. These guns also have an in-built cutter for slicing the tip off the cartridge nozzle. They also have a smooth trigger action & carry our own name and trade use warranty!

- Built in Tip Cutter
- Integrated Nozzle Cleaner
- Dripless Trigger System
- Weight: 1kg
