

Milwaukee ONET-1 - One-Key Tick Tool Tracker

Product Description

- The Milwaukee® TICK™ Tool and Equipment Tracker is an extremely versatile Bluetooth® tracker.
- With multiple attachment options and a low profile design, users can glue, screw, rivet or strap the TICK™ on to products.
- Weather, water and dust proof ratings ensure that the TICK™ Tool and Equipment Tracker will survive almost any environment.
- Powered by a coin cell battery that provides over 1 year of runtime, the TICK™ will reliably provide tracking beacons anytime, anywhere.
- Receive low battery, service reminders and missing tool notifications through the ONE-KEY™ App.
- Location Services powered by the ONE-KEY™ App.

Features

- Attach with glue, screws, rivets or straps
- Weather, water, dust and impact protection
- 1 year run time with replaceable coin cell battery
- Tracking powered by the ONE-KEY app
- Over 30m signal range
- Location signal wakes up a sleeping or backgrounded app
