

## Dewalt DCE531N-XJ - 18V Concrete Vibrator (Tool Only)

### Product Description

---

Vibrating poker removes air from concrete forms, to strengthen concrete and improve consistency of mix.

#### Features

- Light and compact, suitable for single person operation.
- Tool free locking nut allows easy removal of shaft for transport.
- Sealed motor and drive shaft for improved durability.
- 1.2 m shaft for easy use and long reach.

#### Specifications

- Battery Chemistry: XR Li-Ion
- Voltage: 18 V
- Power Output: 360 Watts
- Vibration/minute: 15,000 VPM
- Shaft Length: 1.2 m
- Head Diameter: 28.6 mm
- Sound Pressure: 75 dB(A)
- Sound Pressure Uncertainty: 5 dB(A)
