

Dewalt DT8910-QZ - SDS+ Drill 5.5x110x50mm 4 Cutter Full Head Carbide XLR

Product Description

- Diameter: 5.5mm
- Length: 110mm
- Working Length: 50mm
- The Innovative Full Head Carbide drill bit offers the highest levels of performance to users with the hardest applications
- Superior carbide grade and geometry ensures greater resistance to breakage and premature wear to ensure maximum drill bit life and durability
- Four cutter geometry delivers maximum hole concentricity for better fixing retention
- Optimised four flute design allows efficient debris removal and greater flute durability
