

Dewalt DT8930-QZ - SDS+ Drill 10x260x200mm 4 Cutter Full Head Carbide XLR

Product Description

- Diameter: 10mm
- Length: 260mm
- Working Length: 200mm
- The Innovative Full Head Carbide drill bit offers the highest levels of performance to users with the hardest applications
- Superior carbide grade and geometry ensures greater resistance to breakage and premature wear to ensure maximum drill bit life and durability
- Four cutter geometry delivers maximum hole concentricity for better fixing retention
- Optimised four flute design allows efficient debris removal and greater flute durability
