

## Vaughan R20 - Claw Hammer 20oz 570g Steel Shaft Shock-blok

### Product Description

---

There's never been a hammer like the Vaughan Steel Eagle™! Forged entirely of high quality, high carbon steel, it has all the toughness and durability you would expect in a solid steel hammer. Yet there's none of the irritating hand sting that can make a day's work so tiring. The secret is Shock-Blok™, a shock absorbing insert of hickory and specially formulated rubber. Most of the shock of hammer blows is absorbed by the Shock-Blok™ plug, the rest by the unique, air cushion grip.
