

Husqvarna PW360 - Pressure Cleaner PW360 2321 PSI

Product Description

A truly high performing electric pressure washer with a robust and purposeful design, for excellent results and demanding jobs such as vehicles and stone walls. A steel reinforced high-pressure hose is included. The Low Force grip activates the trigger with less effort and more comfort. The induction motor and the metal pump ensure a dependable performance and long product lifetime. Transportation is easy thanks to the aluminium carrying handle. Quick hose coupling, large and robust wheels for better traction, and a long spray lance add to the experience. Two swivel functions, for nozzle adjustment and quick connection, prevent hassle. On-board accessory storage, hose reel and power cord storage make operation efficient. The highly effective car cleaner and stone cleaner also includes two nozzles and one foam sprayer for the utmost versatility.

- Max pressure: 160 bar
- Water flow: 420-500 l/h
