

Sutton D1100556 - Long Series Drill 7/32" Blue

Product Description

Sutton Tools Silver Bullet jobber drills are a general purpose drill bit with a longer flute & overall length. Ideal for drilling deeper holes in a wide range of ferrous materials.

Features

- 118° Standard Point
- Precision ground flute designed for fast chip removal.
- Made from M2 High Speed Steel (HSS) offering the best combination of strength, heat & wear resistance
- Blue surface finish for ferrous applications. The steam oxide finish prevents chip build-up on the cutting edges and reduces cutting friction, especially in low carbon steels.

Specifications

- Size: 7/32" (5.56mm)
- Overall Length: 152mm
- Flute Length: 92mm
