

Sutton D6041000 - Glass & Tile Drill 10.0mm

Product Description

Sutton Tools glass & tile drills are designed for smooth drilling in ceramic tiles, glass, brick, plastics and fibreglass. The unique design with specialised carbide tip and spiral flutes make these drills last 7 times longer and cut 30% faster than a standard glass & tile bit.

** Note: Not suitable for toughened glass. **

Features

- 4 facet diamond spear point design shaves rather than cuts for improved precision and penetration
- Stronger carbide tip with copper brazing has better heat resistance and provides 7 times longer life
- Spiral flute aids dust extraction and reduces heat build up for 30% faster drilling
- Longer total length than standard tile bits for deeper drilling
- Parallel Shank to suit non-hammer action portable power drills

Specifications

- Size: 10mm
- Overall Length: 100mm
