

Milwaukee M18FFSDC16-502 - 18V Brushless Switch Pack Drain Machine Kit (2 x 5.0Ah)

Product Description

M18 FUEL™ SWITCH PACK™ Sectional Drum System is the first drain cleaning solution that combines the benefits of sectional and drum machines, creating the single most versatile and mobile machine on the market. Tackling the most frequent challenge of any drain cleaning application, getting the machine onto the job, the SWITCH PACK™ System utilises a modular design with backpack straps for the easiest transport to any roof, drain, crawl space, or clean out. The tool-free drum connection allows users to quickly interchange between cable sizes, or add a second drum to reach further down the line. All SWITCH PACK™ drums are fully enclosed providing the best protection against mess. The POWERSTATE™ Brushless Motor delivers more clearing power than corded competitors for tough jobs through drain lines. REDLINK PLUS™ intelligence improves control with an integrated drum brake, slowing the machine faster than competitor drums. The REDLITHIUM-ION™ battery pack powers through multiple jobs on a single charge, delivering cordless mobility, safety, and power supply to the drain cleaning industry.

Includes

- (1) M18FFSDC16-0 SWITCH PACK Powered Base
- (2) SWITCH PACK Drums w/ Anchor Cables
- (2) 16mm x 15m Open Wind Coupling Cables w/ RUST GUARD Plating
- (1) 38mm Spade Bit
- (1) 38mm C-Cutter
- (1) Medium Funnel
- (1) Medium Drop Head
- (2) M18™ 5.0AH REDLITHIUM-ION™ Battery (M18B5)
- (1) M18™ & M12™ Rapid Charger (M12-18FC)

Features

- POWERSTATE™ Brushless Motor delivers maximum power 30.4m down the line
- REDLINK PLUS™ Intelligence ensures maximum performance under load and improves control throughout the entire process
- REDLITHIUM™ Batteries power through multiple jobs on a single charge, the first to bring cordless mobility, safety, and power supply to the drain cleaning industry
- M18™ FUEL™ SWITCH PACK™ Drums: Interchange and connect various cable drums up to 30.4m
- Built-In Backpack Straps: Easiest Transport
- Integrated Drum Brake: Electronically slows drum down faster
- Electronic Foot Pedal With Non-Slip Grip: Maximum Durability
- Fully Enclosed Drums: Best Protection and Mess Containment
- M18 FUEL™ SWITCH PACK Drums: Interchange and connect various cable drums

Specifications

- Voltage: 18V
- Accessory Attachment Storage: On-Tool
- Back Pack Straps: Yes
- Drain Line Capacity: Up to 30.5m
- Drum Capacity: 8mm x 22m Inner Core Cable; 9.5mm x 15m Inner Core Cable; 13mm x 15m Inner Core Cable; 16mm x 15m Open

Wind Cable

- Integrated Drum Brake: Yes
- Weight: 8.7kg
- Height: 450.8mm
- Width: 381mm
- Tool Warranty: 5 Years
- Accepts Other Brand Cables: Yes
