

Milwaukee M18TAL-0 - 18V Compact Site Light with Flood Mode (Tool Only)

Product Description

TASK AND AREA MODES, LESS TO CARRY. The M18™ Compact Site Light w/ Flood Mode offers the user two lights in one for area lighting and tasking lighting. With 2,200 lumens of output in area mode for illuminating large work areas and 1000 lumens of flood lighting for task situations there is no application this light can't handle. This light offers up to 24 hours of runtime with an M18™ REDLITHIUM-ION 5.0Ah battery and 43 hours of runtime with an M18™ REDLITHIUM-ION 9.0Ah battery. Its compact size allows users to take this site light on and off the jobsite effortlessly and its 108mm metal hanging hook allow users to hang this light from above for overhead lighting situations. The M18™ Compact Site Light w/ Flood Mode is equipped with a high impact polycarbonate lens to withstand harsh jobsite abuse.
