

Drill Doctor DDXP - Drill Doctor XP 240V 2.5-13mm Cap

Product Description

Features

- Sharpens standard twist and masonry bits from 3/32" to 1/2" (optional 3/4" chuck available)
- Sharpens to a 118 degree point angle
- Sharpens Carbide, Cobalt, High-Speed Steel, Black Oxide, TiN-Coated, twist and Masonry bits
- Longer chuck jaws hold bits more precisely, and jaw guides eliminate jaw twisting on small bits
- Able to create and sharpen split point bits.
- "Push to Stop" drill point splitting port: prevents over-splitting the bit point
- Permanent magnet motor produces consistent power, regardless of speed or load
- Easy to replace diamond sharpening wheel
- 6 foot power cord
- A **3-Year Warranty** protects every Drill Doctor bit sharpener against defects due to workmanship or design; abrasives excluded. Warranty does not cover industrial or commercial use.

Includes

- XP Drill Bit Sharpener
- 1/2" chuck (for bits from 3/32" to 1/2")
- 180 grit diamond sharpening wheel (pre-installed)
- Drill Doctor XP User Guide
- Wheel hub wrench (for changing or replacing diamond sharpening wheels)
