

Makita DCS553Z - 18V Brushless 150mm Metal Cutter (Tool Only)

Product Description

Features

- Soft Grip with non-slip elastomer grip on front and rear handles for more comfort and control
- High efficiency BL Brushless motor enables high power and longer run time
- Dust Guard reduces the scatter of chips for less clean up after working and a safer working environment
- 150mm TCT saw blade with a cutting depth of 57.5mm
- Automatic Torque Drive automatically changes the cutting mode according to load conditions for optimum operation:
 - On light duty: high speed rotation mode
 - On heavy duty: high torque mode
- Electric break stops blade rotation gently but fast, allowing user to quickly resume operation
- Twin LED job light with pre-glow and after-glow functions for convenient operation on dark job sites

Specifications

- Voltage: 18V
- Blade diameter: 150mm
- Cutting depth: 57.5mm
- No load speed: 4100rpm
- Weight: 2.4kg
