

## Sterling 29-722 - Black Panther Industrial Snips 185mm Ultimax Pro High Tensile

### Product Description

---

Made from AUS 8 stainless steel, high in chromium which gives the blades the ability to withstand maximum stress, wear, abrasion and corrosion resistance as well as their ability to attain a serrated edge and last for very long periods of time.

- 185mm (7) High tensile industrial snips
- Stainless steel serrated edge blades for increased cutting capacity
- HRC58 - Rockwell Hardness
- Ideal for various applications including: Wire, tough sheet materials, cable, aluminium carpet, leather, rubber, gardening, food prep and more
- Comfort grip handles made from impact and solvent resistant TPR material
- Upgraded locking clasp with comfort grip
- Anti-slip ridges for extra grip
- Smooth, resistance free mechanism for precise cutting
