

Sidchrome SCMT10128 - Tool Kit 309 Piece Metric/AF 8 Drawer Top Chest

Product Description

One of the largest kits in our range, and a popular selection for those in the professional trades, this comprehensive kit is a wise investment that will last for years to come.

With tools in both metric and American fractions (AF), as well as a clever selection of spanners, sockets, screwdrivers and much more, you'll be well equipped for any challenging situation with this tool kit by your side.

Designed with the professional apprentice in mind, this kit provides the essential tools that any beginner will find useful, and will last for years beyond the apprenticeship.

Your selection includes

- sockets and accessories in a variety of sizes
- in hex sockets
- spanners, including ring, open-ended and flare nut spanners
- pro-twist screwdrivers
- hex/torx keys
- pliers
- wrenches
- and many more accessories that make the apprentice's life easier while learning the ropes in a professional workshop

The sturdy toolbox comes complete with 10 drawers, making it easy to quickly grab your preferred tool precisely when you need it. The heavy-duty tool box is portable, featuring easy-grip handles and smooth cantilever drawers to make daily use a breeze. Each tool has a snug location for its home, meaning you can easily see when a tool is missing. The clever layout makes the most of every square centimetre, so you don't have to struggle to reach tools at the back.
