

Milwaukee 48223542 - Chain Wrench 228mm/9" Torque Lock

Product Description

Milwaukee® TORQUE LOCK™ locking tools provide faster tool setup and more locking force for the professional tradesman. The thumb screw provides the user with a more convenient geometry for hand force, while providing clearance to generate more torque with the unique screwdriver through-hole design. Featuring hardened jaws for more gripping power, and forged alloy steel for maximum durability, Milwaukee® locking tools are made for the toughest job site.

- TORQUE LOCK™: Faster setup and easy release
- Curved Jaw: Maximizes pressure points for any bolt, nut or locking tool application
- Hardened Jaws: Better grip force on jobsite material
- Forged Alloy Steel: For Maximum Tool Strength and Durability
- Rust Protection: Increases tool life by reducing corrosion
