

## Peerless P20HFFB - Compressor 3.5HP 110L Fat Boy

### Product Description

---

The P20 Fatboy is the same pump and motor as the P20 but instead of a 55 litre air receiver we mount it on a 110 litre pallet feet air receiver. Most people who wish to use their compressor in the one position in a workshop prefer to buy the larger air receiver as the machine will not cut in and out as frequently however the free air delivery is exactly the same as the standard P20.

### Specifications

- Free Air Delivery (F.A.D): 340 LPM @ 100PSI
- Cylinders: 2
- Max PSI: 145
- Motor: Electric 3.5 HP
- Pump: Peerless N75 Single Stage
- Pump RPM: 1050
