

Peerless P013 - Oilless Compressor 40L 2HP

Product Description

This impressive Air Compressor produces 175LPM of free air delivery, this will run your framing guns through to your coil guns. We have also fitted an electronic auto drain to the receiver, as we all know its hard to remember to drain your tank, so we fitted this little feature. Along with this that drives this air compressor is a 2HP copper wound motor, this is where the weight comes into it as the motor itself weighs 19kg. This is the easiest way to know if your oil less motor is an actual 2HP.

Being an Oil Less Air Compressor it doesn't matter about parking level too! compared to oiled Air Compressors. Drawing an impressive 6AMPS compared to 8AMPS on other models this is well suited for low voltage areas!.

Specifications

- Air Delivery: 175 LPM @ 100PSI
- Cylinders: 2
- Max PSI: 145
- Motor: Electric 2HP
- Pump: Oil-less
- Pump RPM: 1350
- Power Supply: 10 AMP
- Amps Draw: 7
- Tank Size: 40L
- Dimensions L x W x H: 810MM x 340MM x 640MM
- Weight: 33KG
- Portable / Stationary: Portable
- Regulator Included? ET200 Water Trap Regulator
- Pump Up Time To 100 PSI: 0.50 - 0.55 MIN
- Pump Warranty: 1 Year
- Motor Warranty: 1 Year
