

## Bordo 2654-14.00 - Reduced Shank Drill 1/2" 14mm

**1/2in Shank - 14mm**

### Product Description

---

Bordo reduced shank HSS drills are ground and then a black finish is achieved by steam tempering, a thermal process resulting in a porous tool coating. This surface aids chip flow and heat dissipation. The drill is then ground a second time to achieve a bright finish on the shank and cutting edges.
