

Milwaukee M18FOPH-0 - 18V Brushless Powerhead (Tool Only)

Product Description

The Milwaukee® M18 FUEL® Outdoor Power Head delivers the power for a range of applications using the M18 FUEL® QUIK-LOK™ Attachments. The unit is designed to meet the performance, durability and ergonomic needs of professional landscape maintenance and the installed M18™ user. The POWERSTATE™ Brushless Motor with 2-speed control provides the option of maximum power for demanding applications, or extending run-time when full power isn't needed. The QUIK-LOK™ Coupler is compatible with the Line Trimmer, Pole Saw, Edger, Hedge Trimmer and Extension attachments, providing versatility and lower cost of ownership for the user. REDLINK™ PLUS intelligence ensures maximum performance and protection from overload, overheating and over discharge. M18 FUEL® technology allows the unit to achieve instantaneous throttle response and deliver best-in-class power and run-time.
