

Milwaukee M18FOPHLTKIT-0 - 18V Brushless Powerhead (Tool Only) + Line Trimmer Attachment

Product Description

The Milwaukee® M18 FUEL® Outdoor Power Head w/ Line Trimmer Attachment provides users with the power to clear thick brush and reaches full throttle in under 1 second using M18 FUEL® technology. The unit is designed to meet the performance, durability and ergonomic needs of professional landscape maintenance and the installed M18™ user. The Easy Load Trimmer Head provides the user with an easy line loading experience and the ability to load up to 7.6m of trimmer line in under 30 seconds and up to 6200RPM. The QUIK-LOK™ Attachments feature protected drive shafts for increased durability against drops and storage elements. The POWERSTATE™ Brushless Motor with 2-speed control provides the option of maximum power for demanding applications, or extending run-time when full power isn't needed. The QUIK-LOK™ Coupler is compatible with the other attachments within the M18 FUEL® Outdoor Power Equipment Attachment System, providing landscape maintenance professionals the ability to quickly swap out attachments on a single power head, delivering ultimate versatility and a lower cost of ownership. REDLINK™ PLUS intelligence ensures maximum performance and protection from overload, overheating and over discharge.

Includes

- (1) M18 FUEL® Outdoor Power Head - Tool Only (M18FOPH-0)
- (1) M18 FUEL® Line Trimmer Attachment (M18FOPH-LTA)
- (1) Shoulder Strap
