

## Kincrome K1220 - EVOLUTION Tool Chest Kit 188 Piece 9 Drawer 1/4, 3/8 & 1/2 Drive

### Product Description

---

The New Evolution 188 Piece 9 Drawer Chest Kit is a great kit for those looking to get a tool collection started! Including 1/4", 3/8" and 1/2" Sockets and Accessories, full range of spanners, gear spanners, pliers, hex keys and much more. All Evolution kits include custom designed EVA foam trays with hard plastic tops with contents markings for additional durability and easy tool identification, with machined tool cut outs to keep your tools securely in place making it easier to identify missing tools. The Evolution Range can provide a storage or complete Tool kit solution whether you're a serious DIY'er working at home, an Apprentice starting a trade, or seasoned trade professional. You can "Trust Tough" with the New Kincrome Evolution Storage and Tool Kit range!
