

## Durum DB924 - Precision Bit Set 31 Piece with Screwdriver

### Product Description

---

Cutting edge DURUM precision screwdriver set utilizes a clever magnetic screwdriver with 30 individual bits to suit almost all precision fasteners.

Bits include Pentalobe (for use with iphones and other apple products), Phillips, Square, Slotted, Hex, Pozidriv, and Torx.

The DURUM precision screwdriver is easy to use and it's wide variety of bits make it a perfect companion for the precision craftsman.

- 4mm Precision Bits: HX (0.7 - 4), PH (000 - 1), PZ (0-1), SL (1.5-4), TX (4-20), IPS (2-5)
