Product Description

LOK-ON™ LOK-ON MAGNETIC TWIST-LOCK RAILS 1/2" DRIVE 300MM - 10 STUDS

- LOK-ON™ magnetic twist-lock rails are designed to securely hold your sockets no matter how rough the ride gets. The unique twist lock feature ensures your sockets are secure yet easy to remove, whenever you need them.
- With heavy duty magnets you can store these rails anywhere on any metal surface. In your toolbox, on your toolbox, on the side of your work bench or even attach it to the vehicle you're working on.
