

Kincrome K8504 - 1" Torque Wrench 200-1000Nm

Product Description

Features

- The Kincrome Dual Way Click-Type Torque Wrenches are capable of applying torque settings in BOTH directions with a certified accuracy of +/-4%.
- They feature Dual Scale measurement (Nm & lbf-ft) and a convenient locking collar to easily set the desired amount of torque.
- Each unit is individually calibrated, certified and housed within a blow mould case, which is internally layered with EVA padding to keep your Torque Wrench protected (EVA excluded from 3/4" & 1" models).
- With a Kincrome Lifetime Warranty, we guarantee market-leading quality for the new range of Dual Way Click-Type Torque Wrenches.
- Dual Scale (Nm, lbf-ft)
- Click-Type
- Locking collar
- Works in Both Directions
