

Macnaught K29-01 - Grease Gun - Pistol Grip K29

Product Description

The K29 FLEXIGUN® is a classic grease gun that incorporates a unique variable stroke piston and valve arrangement for true one handed operation. The push in handle is easy to use and requires much less effort to operate. Increased pressure can be produced by short strokes (low volume) or high volume using a long stroke (low pressure). Heavy duty pistol grip construction with comfortable ergonomics to suit 450g grease cartridges, bulk filling or Macnaught J3 grease transfer pump loading. The K29 is fully repairable with a strong die cast head and heavy gauge steel barrel for extra long service life.

Features

- Can be filled from a bulk supply of grease - Economical & contamination free greasing
- 9mm diameter hand operated Filler / Bleeder Outlet - For use with Macnaught J3 grease pump or any other 9mm bulk fill grease pump
- Reversible follower - For cartridge or bulk applications
- Lock the plunge rod into the follower - For easier bleeding
- Machined barrel thread - Makes it easier to screw the barrel to the head
- Stepped Barrel - For easy grip
- Heavy-duty design and construction - Reduces wear & facilitates effortless pressure building
- Short stroke facility - Ability to boost greasing pressure using shorter hand strokes to easily clear blocked grease nipples
- Screw fasteners - No rivets for easy servicing
- Pistol grip and unique piston and valve arrangement - For easy one handed operation
- Flexible high pressure extension hose - Easier to grease hard to reach nipples
- Fully repairable - Provides a much longer service life
- Supergrip KY coupler - Positive no leak connection ensures grease gets to the bearing.

Specifications

- Delivery pressure up to 68,900kPa (10,000psi)
- Flexible 230mm (9") high pressure extension hose
- KY SUPERGRIP™ 3 jaw high pressure coupler
- Up to 0.68g per shot
- Heavy-duty 1.6mm thick barrel
- Robust zinc pull handle
- Wetted parts - Aluminium, steel, nitrile rubber, cork and nylon
- Maximum viscosity - Up to NLGI 2
- Compatible with 450g cartridges for contamination free greasing
