

Frontier FRCLRVIEWRD0000 - Hard Hat - Vented Red

Product Description

- Clearview is fully Standards approved to AS/NZS 1801
- Clearview is UV400 stabilized and is suitable for indoor or outdoor use (you won't get sun burnt in a Clearview)
- Clearview ensures greater all round safety by increasing the wearers peripheral vision
- Clearview reduces neck strain associated with tilting the head back to constantly look up
- Clearview eliminates the common ill practise of wearing hard hats backwards
- Clearview caps are high temperature rated thanks to their polycarbonate composition
- Clearview like the Tuffguard range by Frontier has a premium terylene 6 point harness for comfort
- Clearview allows most 25 & 30mm attachments like earmuffs and visors
- Clearview caps are pad printable in 8 positions. Ready for your company's logo to be applied
- Comes in Colours: Blue, Clear, Green, Orange, Red, Smoke & Yellow
