

## Milwaukee 48220526 - Compact Magnetic Tape Measure 8m/26ft

### Product Description

---

Our Compact Magnetic Tape Measure has up to 3.6m of standout and a magnet that easily attaches to EMT & steel studs. The tape is wear and impact-resistant with nylon blade protection and an additional anti-tear coating on the first 15cm of the blade, reducing tape tear. Built to withstand the jobsite, the compact measuring tapes are constructed with a 5-point reinforced frame for impact resistance.

#### Features

- 5PT Reinforced frame to help protect against damage from dropping
- Rip & Wear Resistant Blade
