

Mack MKTERRPRZBBF085 - Terrapro Zip Boot Size 8.5 Black

Product Description

Optimised for adaption to uneven terrain the TerraPro Zip is ideal for workers that might need a quick exit due to sparks and water hazards or just want the ease of access with additional boot height. Built on the ADAPT™ sole technology and articulatedFIT upper the TerraPro Zip is designed to improve adaption to rough surfaces and is combined with a lightweight design to assist in minimising fatigue and maximising performance.

Height: 180mmWeight: 695gSize: 8.5
