

Milwaukee M12FIR38LR-0 - 12V Brushless 3/8" Extended Reach Impact Ratchet (Tool Only)

Product Description

Our M12 FUEL 3/8" Extended Reach Ratchet is the latest addition to our best-in-class lineup of battery powered ratchets. These MILWAUKEE M12 FUEL ratchets provide industry leading torque output with a slim head profile and an extended neck that give you the longest reach in tight spaces. The M12 FUEL 3/8" Extended Reach Ratchet features an Investment Cast Steel Yoke housing and a POWERSTATE Brushless Motor that deliver superior durability you expect from MILWAUKEE. The M12 FUEL 3/8" Extended Reach Ratchet is the ideal addition to any tool chest; allowing you to get to stubborn, hard to reach fasteners without the concern of knuckle busting. The 3/8" cordless ratchet provides the performance of a pneumatic ratchet with up to 74Nm of max torque, the same torque output as our M12 FUEL Ratchets.

Features

- Pneumatic ratchet performance with up to 74Nm of max torque
- Industry leading FUEL™ technology, a reinforced mechanism and investment cast steel yoke housing provides greater durability for the professional user
- POWERSTATE™ brushless motor delivers maximum power and long motor life
- REDLITHIUM-ION™ batteries deliver more work per charge and more work over the life of the battery
- Slim head profile and 81mm extended neck provides users with the longest reach in tight spaces
- REDLINK PLUS™ Intelligence prevents damage to the tool and battery due to overloading or overheating

Specifications
