

## Dewalt DCH263N-XJ - 18V Brushless 3-Mode SDS+ Rotary Hammer (Tool Only)

### Product Description

---

The DCH263N 18V XR® BRUSHLESS 28mm SDS Plus D-Handle Rotary Hammer is a light weight, low vibration, high-performance drill designed for the demands of today's tradesperson. The durable three mode German engineered mechanism delivers 3.0 joules of impact energy that delivers fast speed of application that professionals require. This allows the DCH263N to perform quickly in chipping applications and have a wide optimal drilling range between 6mm and 19mm. The SHOCKS-Active Vibration Control® system reduces vibration felt at the handles, compared to hammers without this feature. With its hard-hitting mechanism, fast drilling speed, and balanced design, this hammer is ideally suited for all day use, even with large diameter hole drilling in the hardest concrete.

### Features

- 3.0 J of impact energy allowing concrete drilling up to 28 mm
- PERFORM & PROTECT - Anti-Vibration Control rear handle reduces hand/arm vibration to 9.1 m/s<sup>2</sup>
- 3 Modes - Rotary only drilling, Hammer Drilling and Chiselling

### Specifications

- Voltage: 18V
- No load speed: 1165 rpm
- Impact energy: 3 J
- Hand/arm vibration: 9.1 m/s<sup>2</sup>
