

## Sidchrome SCMT21704 - Spanner Flarenut 10 x 11mm

**FLARENUT 10 x 11mm**

### [Product Description](#)

---

#### **Features**

- Sidchrome flare nut spanners are manufactured to meet or exceed relevant ASME and DIN international quality standards. You can be sure Sidchrome spanners are tough enough to stand up to the harshest working environment.
- Designed for soft metal flare nuts
- Wrap around design prevents disortion of soft metal corners
- Provides additional torque without spreading

#### **Size**

- 10mm x 11mm
