

## Scangrip SGLINELIGHT-R - Hand Lamp with Top Spotlight Line Light R Rechargeable

### Product Description

---

The LINE LIGHT R is a powerful inspection light that is a heavy duty light, that can withstand strong shocks from daily use. The LINE LIGHT R concentrates a beam in a 75 Degree angle providing an extremely bright illumination, approximately 400 Lumens. It has a magnetic switch, which changes between the inspection lamp and torch.
