

Scangrip **SGSLIM** - Ultra Slim COB LED Worklight with Flashing Function Rechargeable

Product Description

Similar to the MINI SLIM work light, the SLIM is a folding pocket light that is used to inspect small nooks and crevices that usual work lights cannot reach. The SLIM is a 3-in-1 inspection light, work light and flashlight, that has a max brightness of 500 lumens. Both compact and lightweight, the SLIM is equipped with a built in magnet and hook to ensure placement and storage is made easy for the user.
